

RETIREMENT ACTION PLAN CONSULT

SECURE TODAY. PREPARE FOR TOMORROW. THRIVE IN RETIREMENT.

ABOUT US

Retirement Action Plan Consultancy (RAPCON) is a professional advisory firm dedicated to helping organizations and individuals transition into retirement with clarity, financial stability, and renewed purpose. We provide structured retirement planning programs that reduce uncertainty, protect institutional knowledge, and support long-term well-being.

WHY RETIREMENT PLANNING MATTERS

Retirement is not merely the end of employment, it is a major life and organizational transition. Without structured preparation:

- Employees face financial and emotional uncertainty
- Organizations experience talent gaps and knowledge loss
- Workforce continuity is disrupted

RAPCON ensures retirement is planned, dignified, and sustainable for both people and institutions.

WHY CHOOSE RAPCON

- ✓ Structured and practical retirement roadmaps
- ✓ Confidential, professional advisory services
- ✓ Customized corporate and executive solutions
- ✓ Focus on both financial security and life purpose
- ✓ Smooth workforce transition strategies

OUR ENGAGEMENT PROCESS

LEADERSHIP

Prince Engr. Dr. Adekunle Raphael-Monehin
Founder & Chief Executive Officer

A trusted retirement advisory professional with deep expertise in retirement readiness strategy, executive transition planning, and organizational succession advisory.

He is passionate about transforming retirement from uncertainty into a well-planned phase of opportunity, dignity, and renewed impact.

OUR PROMISE

At RAPCON, we don't just prepare people to retire, we prepare them to thrive beyond work, while helping organizations protect value, continuity, and legacy.

OUR VISION

To be the leading retirement planning consultancy that empowers individuals and organizations to transition into retirement with financial security, personal fulfillment, and long-term sustainability.

OUR MISSION

Our mission is to provide comprehensive retirement action planning services that combine financial strategy, lifestyle transition planning, and organizational workforce advisory to ensure smooth, secure, and successful retirement outcomes.
